

LET'S STAY RESPONSIBLE

PLAN

Protecting measures against COVID-19

This Plan of Measures refers to "ZAGREB OPEN – 46. INA DELTA RALLY 2020" which will take place from 24th till 26th September 2020.

The plan is based on:

1. Recommendations of the Central State Office for Sports (SDUŠ).
2. Recommendations for holding outdoor sports competitions in the presence of the audience of the Croatian Institute of Public Health (HZJZ).
3. Recommendations of the Croatian Auto and Karting Federation (CAKF) for competitors, officials and marshals of CAKF and other participants in the competition within the epidemic of the COVID-19 virus.

NOTE: All participants are obliged to comply with obligations and recommendations from this Plan of Measures and general provisions prescribed in these documents.

APPLICATION AND ARRIVAL AT THE COMPETITION

1. With application for competition it is required to submit the list of complete team from one driver / team who will participate in the competition:
 - Driver
 - Codriver
 - Mechanics – up to 4 (četiti) by a registered crew
 - Team manager

The application form (Attachment 1) can be found on the Organizer's website:

<http://www.deltarally.eu/>

Warning to all drivers / clubs / teams not to register persons who are not in the function of the driver's performance at the race (family members, friends, guests). The organizer has the discretion right to refuse accreditation for persons for who he estimates that they are not in a function for registered drivers.

2. To pay the entry fee for the race to the account of the Organizer within the prescribed period, in order to avoid physical contact with banknotes during Administrative checking at the competition.
3. Foreign drivers are advised to visit website <https://entercroatia.mup.hr/> of Croatian Ministry of the Interior and fill a form that will allow them faster crossing the state border of the Republic Croatia.

II SERVICE PARK

1. Service Park in Zagrebu – Zagrebački Fair will be completely fenced with fence height 2.20 m. The entrance / exit from the Service Park will be possible only in one place from Jozsef Antall Street, protected by the organizers
2. At the entrance to the service park, all users will have their body temperature measured every morning.
3. Entrance to the service park will be allowed only to accredited persons:
 - Drivers and codrivers
 - Mechanics
 - Team leaders
 - Officials of the Organizer
 - Accredited media

Accreditation will be available at the reception office in the Headquarter from Wednesday, September 23, 2020, INA Business Building, Veceslav Holjevac Avenue 10th from 08:00 to 19:00.

Accreditation will consist of the standard used and also there will be a plastic tape that everyone must have on hand throughout the competition. Entrance to all competition areas will be possible only with an accreditation tape on hand.

4. For crews in the service park there is available electricity, water, toilets and restaurants
5. On the marked places in the service park will be available hand sanitizers
6. During the day there will be repeatedly disinfect toilets and tables and benches from providers of catering Services.
7. It is recommended that all members of one crew / team stay in their service area for as long as possible, and in communication with other crews / teams keep the necessary distances of 1.5 - 2 meters or use protective masks.

III ADMINISTRATIVE CHECKING, SCRUTINEERING, DRIVER'S BRIEFING

1. Administrative checks will not be held in the classical sense. Drivers / clubs are obliged to scan and submit to the Organizer no later than the publication of the entry list of applicants on September 17, 2020 the following documents:
